In the event proceeds of taxes hereby levied are not available in time to meet any payments of principal of and interest upon said bonds, then the fiscal officers of the City are hereby directed to make such payments from any current funds of the City that are available for that purpose in advancement of the collection of said taxes herein levied and when the proceeds of such taxes herein levied are received, such funds shall be reimbursed, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds herein authorized as the same become due.

SECTION 5. *Extension of Taxes.* That forthwith as soon as this ordinance becomes effective, the City Clerk of the City be and he is hereby directed to file a copy of this ordinance with the County Clerk of Cook County, which copy shall be certified to by the City Clerk and which certification shall recite that this ordinance has been passed by the City Council of the City, and it shall be the duty of said County Clerk to annually in and for each of the years 1978 to 1996, inclusive, ascertain the rate percent required to produce the aggregate tax hereinbefore levied and extend the same for collection on the tax books against all of the taxable property within the City of Chicago Special Service Area Number One in addition to other taxes levied in each of said years in said Special Service Area in order to raise the respective amounts levied aforesaid, and in each of said years such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general corporate purposes of the City, and when collected, the taxes hereby levied shall be placed to the credit of a special fund to be designated "The City of Chicago Special Service Area Number One Bond and Interest Fund," which fund is hereby irrevocably pledged to and shall be used only for the purpose of paying the principal of and interest on the Bonds.

(7) To the best of the knowledge and belief of the City Council, there are no facts, estimates or circumstances that would materially change the conclusions and representations set out in this Section.

Said City Council also certified and further covenants with the purchasers and holders of the Bonds from time to time outstanding, that so long as any of the Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and any lawful regulations promulgated or proposed thereunder, including proposed Treas. Reg. §§1.103-13 and 1.103-14, as amended, supplemented or revised. The City Council reserves the right, however, to make any investment of such moneys permitted by Illinois law, if, when and to the extent that said Section 103(c) or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Bonds subject to Federal income taxation.

SECTION 8. *Sale of Bonds.* That forthwith after this ordinance has become effective as provided by law, the Bonds herein authorized shall be sold by the City Comptroller, with the concurrence of the Chairman of the Finance Committee of the City Council, at a price of not less than par and accrued interest to date of delivery, either pursuant to advertised notice and the receipt of sealed bids and on the basis of the lowest interest cost to the City, or the City Comptroller is authorized to negotiate for a sale of such Bonds at a price of not less than par and accrued interest to date of delivery and on such terms as he may deem to be for the best interests of the City. In the event that such Bonds are sold bearing an interest rate less than the maximum rate herein authorized, then the Comptroller shall include in the notification of sale above referred to, information to indicate the amount of savings in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, said Comptroller shall file in the office of the County Clerk of Cook

County a certificate of tax abatement, such certificate to refer to the amount of taxes herein levied for each of the years 1978 to 1996, inclusive, for the payment of the principal of and interest on the Bonds herein authorized to their maturity, indicating the amount of reduction in the interest cost to the City resulting from the sale of said Bonds herein authorized at the lesser rate of interest than the maximum rate herein authorized and which amount is to be abated from the taxes herein levied for each of the years 1978 to 1996, inclusive, and further indicating the remainder of such taxes herein levied for each of the years 1978 to 1996, inclusive, which is to be extended for collection for each of said years of 1978 to 1996, inclusive, by said County Clerk of Cook County against all the taxable property within the City of Chicago Special Service Area Number One as herein provided.

Simultaneously, with the delivery of said bonds, the City Treasurer shall withdraw from such sale proceeds an amount which together with accrued interest received, will be sufficient to pay the interest becoming due on such Bonds on January 1, 1979, which amount shall be deposited in escrow with the Continental Illinois National Bank and Trust Company of Chicago under the terms of an agreement which will provide that such amount is being deposited to provide sufficient funds for prompt payment of the interest coupons representing interest becoming due on said Bonds on January 1, 1979, and which said agreement shall further provide that the amount so deposited therein shall be invested in investments permitted by Chicago statutes and having such maturities that sufficient funds will be available for the prompt payment of interest coupons numbered one which become payable on January 1, 1979, including paying agency fees and fees for acting as such depositary. Paying agency fees and fees for acting as such depositary shall be deducted from the earnings of such investments and the amount remaining of such earnings shall be paid to the City Treasurer for deposit in the Chicago Special Service Area Number One Construction Project Account hereinabove provided for in Section 6 hereof. The amount withdrawn from the proceeds of the sale of said bonds for establishment of the escrow agreement herein provided for shall be deposited into said Chicago Special Service Area Number One Construction Project Account from the taxes herein levied for the year 1978 to pay the interest requirements of said Bonds when such taxes will have been collected.

SECTION 9. *Use of Proceeds.* That the proceeds of the Bonds hereby authorized shall be expended only for the purpose of effecting the construction of the improvements in and for the Chicago Special Service Area Number One, as herein provided for, the details of such improvement program being referred to and discussed in the preamble hereof, and also being shown on the report describing the same prepared by ..... of the City of Chicago and which is presently on file in the office of the City Clerk of the City of Chicago.

C. Personnel. The Lessee's employees shall be clean, courteous, efficient and neat in appearance. The Lessee shall not employ any person or persons in or about the leased premises who shall use improper language or act in a loud or boisterous or otherwise improper manner. The Lessee agrees to dispense with the services of any employee whose conduct the Commissioner of Aviation feels is detrimental to the best interests of the Lessor.

The Lessor will maintain the structure, the roof and outer walls of the Terminal Buildings.

Lessor will not furnish janitorial service, interior or exterior window cleaning, guarding or custodial services, and Lessor will furnish no janitorial material or supplies for the leased premises.

Article VI
Quality and Price Control

The Lessee's initial price and quality of merchandise offered for sale will be subject to written approval by the Lessor prior to the beginning of operations. At any time, and from time to time, the

Commissioner of Aviation may review the Lessee's price and quality of merchandise then being offered for sale and require the reduction of any prices, or improvement in quality of such merchandise on any particular items thereof. Prices in excess of manufacturers' suggested retail prices on newsstand items will not be approved. Failure on the part of the Lessee promptly to correct, rectify or modify its prices and quality upon written notice by the Commissioner of Aviation shall be cause for default by the Lessor, under the provisions of Article XXIII.

Article VII
Term

The term of this Agreement shall be for a period beginning on the 18th day of April 1978, and terminating 17th day of April, 1980.

Article VIII
Rental

A. Minimum and Percentage to be Paid. During the term of this Agreement, Lessee agrees to pay Lessor a minimum rental of Three Hundred Thousand Dollars ($300,000.00) per year for each year of this Agreement or to pay a sum equal to 30% of gross receipts derived by Lessee from operation at Chicago-O'Hare International Airport, whichever is greater.

The Lessee further agrees to pay Lessor a sum equal to the percentage of the gross receipts derived by Lessee on sales at Chicago-Midway Airport and Merrill C. Meigs Field as follows:

1) 17% of Gross Receipts at Chicago-Midway Airport.
2) 10% of Gross Receipts at Merrill C. Meigs Field.

B. Schedule of Payments. The Lessee shall pay each month in advance to the City Comptroller of the City of Chicago (hereinafter called "City Comptroller") the sum equal to 1/12 of the minimum annual rental noted above.

The minimum rental of $300,000.00 applies only to Chicago-O'Hare International Airport and gross receipts received therefrom. Gross receipts for the three (3) airports shall be maintained and reported separately. The gross receipts of Chicago-Midway Airport and Merrill C. Meigs Field do not and will not affect the minimum guarantee at Chicago-O'Hare International Airport.

Lessee, within fifteen (15) days of the end of each calendar month, shall pay to the City Comptroller a sum equal to the hereinabove described percentages of gross receipts for said calendar month for Chicago-Midway Airport and Merrill C. Meigs Field and shall pay a sum equal to the hereinabove described percentage of gross receipts for said calendar month less the amount prepaid as minimum rent for that month for Chicago-O'Hare International Airport.

Lessee shall furnish a separate certified monthly report of gross sales for each terminal location at Chicago-O'Hare International Airport, and for each of the locations at Chicago-Midway Airport and Merrill C. Meigs Field to the City Comptroller.

Additional payments, required by adjustments, if any, for rentals payable in excess of amount paid as required above shall be made concurrent with the submission of the annual "Statement of Sales and Rents" required by paragraph D of Article VIII.

C. Records of Lessee. The Lessee shall, with respect to business done by it in said newsstand operation, keep true and accurate accounts, records, books and data, which shall, among other things, show all sales made and services performed for cash, on credit, or otherwise (without regard to whether paid or not) and, also, the gross receipts of said business, and the aggregate amount of all sales and services and orders, and of all the Lessee's business done upon and within said newsstand concession area. All records, methods of accounting and cash registers used by Lessee shall be approved by the City Comptroller. The terms "gross receipts," as used herein, shall be construed to mean, for all the purposes hereof, the aggregate amount of all sales made and services performed for cash, on credit, or otherwise, of every kind, name and nature, regardless of when or whether paid for or not, together with the aggregate amount of all exchanges of goods, wares, merchandise and service for like property, or services, at the selling price thereof, as if the same had been sold for cash or the fair and reasonable value thereof, whichever is greater. Lessee agrees to maintain an adequate and reasonable system of internal control to insure that sales are properly reported to the Lessor. The internal controls should include features normally employed by well managed retailers. The internal control procedure must be described by the Lessee in writing and submitted to the City Comptroller prior to the effective date of this agreement. Any changes to the internal controls must be reported to the City Comptroller in writing thirty (30) days prior to the effective date of change. The City Comptroller has the authority to require additional internal controls or procedures as he deems appropriate.

The term "gross receipts" shall exclude: (1) Federal, State, municipal or other governmental excise taxes (except federal manufacturer's excise taxes), use, sales privileges or retailer's occupation taxes now or hereafter imposed and collected by Lessee or its Sublessees directly from patrons or customers, or as a part of the price of any goods, wares, merchandise, services or displays and paid over in turn by the party so collecting to any governmental agency; (but this provision shall not excuse the Lessee or its Sublessee from paying to governmental agencies all taxes for which it may be liable to them); (2) sales made to employees at discount; (3) sales of postage stamps; and (4) refunds for merchandise returned by customers because of their dissatisfaction therewith.

D. Books, Records and Audits. Concessionaire shall maintain at its office in Chicago or make available in Chicago: its books, ledgers, journals, accounts and records wherein are kept all entries reflecting its operations at the airport under this Agreement. Such books, ledgers, journals, accounts and records shall be available for inspection and examination by the Commissioner of Aviation and the Comptroller of the City of Chicago, or their duly authorized representatives, at reasonable time during business hours, and to make copies and excerpts therefrom as may be necessary to make a full, proper and complete audit of all business transacted by Concessionaire in connection with its operation hereunder.

Within 120 days of the signing of this lease, Lessee shall furnish the Lessor with a written statement indicating Lessee's election to report either on a calendar year or fiscal year basis; such letter shall explain the Lessee's fiscal year if elected. Within 120 days after the close of each calendar or fiscal year, as previously elected, or the termination of the agreement through passage of time or otherwise, the lessee will provide the lessor with a "Statement of Sales and Rents" representing sales and rents by month for the period being reported on together with an opinion thereon of an independent certified public accountant. The Lessee must inform the Lessor of the identity of the independent certified public accountant prior to the close of such calendar or fiscal year and such independent certified public accountant must be acceptable to the Lessor.

The following is an example of an opinion which would satisfy these requirements:

"We, a firm of independent certified public accountants, have examined the accompanying statement of sales and rents reported to the City of Chicago by X Company for the year ended ..... relating to the newsstand concession operations at ..... Airport pursuant to a lease between the City of Chicago and X Company dated ..... Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement of sales and rents showing gross sales of ..... and total rents of ..... presents fairly the amount of gross sales and rentals, as defined in the lease, for the year ended .....

If the opinion of the independent certified public accountant is qualified or conditional in any manner, the City Comptroller has the right to cause an audit to be performed at Lessee's expense.

Concessionaire shall, upon request, furnish such other further financial or statistical reports as the City may, from time to time require.

Article IX
Cancellation by Lessee

This Agreement shall be subject to cancellation by the Lessee in the event of any one or more of the following events:

(1) The permanent abandonment of the Airport as an air terminal.

(2) The lawful assumption by the United States Government, or any authorized agency thereof, of the operation, control or use of the Airport, or any substantial part or parts thereof, in such a manner as substantially to restrict Lessee for a period of at least ninety (90) days from operating thereon.

(3) Issuance by any court of competent jurisdiction of any injunction in any way preventing or restraining the use of the Airport, and the remaining in force of such injunction for a period of at least ninety (90) days.

(4) The default by the Lessor in the performance of any covenant or agreement herein required to be performed by the Lessor and the failure of the Lessor to remedy such default for a period of sixty (60) days after receipt from the Lessee of written notice to remedy the same.

Article X
Property Rights Upon Termination

Upon the termination of this Agreement, through passage of time or otherwise, Lessee shall aid the Lessor in all ways possible in continuing the business of operating a newsstand concession in said terminal building uninterruptedly. Lessee further agrees to sell any or all of Lessee's furniture, furnishings, trade fixtures and equipment installed or used upon said premises by Lessee to the Lessor, or any interest thereto which Lessee may have, should the Lessor notify the Lessee in writing within ten (10) days before such termination date that the Lessor desires to purchase any or all of said furniture, furnishings, fixtures and equipment. In the event the Lessor exercises its option to purchase any or all of said furniture, furnishings, fixtures and equipment, it is agreed that the purchase price shall be the fair market value of such items at the date of such termination. If the parties are unable to agree upon the fair market value, it is agreed that each party shall appoint an appraiser and the two so appointed shall name a third appraiser and that the three appraisers so named shall determine the fair market value of such items, which determination shall be final and binding upon the parties hereto.

Upon the termination of this Agreement, through passage of time or otherwise, it is mutually agreed that the Lessee shall have no further claim, right, title or interest in or to any of the leasehold improvements installed by it under this lease, including but not limited to, the enclosure walls and doors.

Article XI
Damage or Destruction of Premises

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by the Lessor at its expense as soon as funds are available but Lessor shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Lessee pursuant to this Agreement.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint ventures between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

Article III

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Public Works (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

Article V

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall restore and yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

Article VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Pier and shall indemnify, defend and save harmless the Landlord, the Public Building Commission of Chicago, their authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Public Building Commission of Chicago, Tenant, or any of their agents or employees.

Neither Landlord, nor the Public Building Commission of Chicago shall be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from their acts, omissions or neglect in the maintenance and operation of the Pier facilities.

Article VII

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attachment thereto, In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

Article VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant or others pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Pier and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Pier.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Pier.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant, shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may reposess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date herein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, effect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

Article XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

Article XV

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

Article XVI

Tenant, in performing under this contract, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. The decision of the said officer shall be final and conclusive unless, within 30 days from the date of receipt of such copy, the lessee mails or otherwise furnishes to the said officer a written appeal addressed to the Secretary of the Air Force. The decision of the Secretary or his duly authorized representative for the determination of such appeals shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal proceeding under this condition, the lessee shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, the lessee shall proceed diligently with the performance of the contract and in accordance with the said officer's decision.

(b) This Condition does not preclude consideration of law questions in connection with decisions provided for in paragraph (a) above: Provided, that nothing in this Condition shall be construed as making final the decision of any administrative official, representative, or board on a question of law.

15. That this lease may be terminated by the lessee at any time by giving to the Secretary of the Air Force, through the said officer, at least ten (10) days' notice thereof in writing; provided that, in case of such termination, no refund by the United States of any rental theretofore paid shall be made, and provided further, that in the event the said notice is not given at least ten (10) days prior to the rental due date, the lessee shall be required to pay the rental for the period or term shown in Condition No. 1 hereof.

16. That the use and occupation of the premises leased hereby shall be subject to the general supervision and approval of the officer having immediate jurisdiction over the property and to such rules and regulations as may be prescribed by him from time to time.

17. That the lessee shall pay the cost, as determined by the officer having immediate jurisdiction over the property, of producing and/or supplying any utilities and other services furnished by the Government or through Government-owned facilities for the use of the lessee, including the lessee's proportionate share of the cost of operation and maintenance of the Government-owned facilities by which such utilities or services are produced or supplied. The Government shall be under no obligation to furnish utilities or services. Payment shall be made in the method prescribed by the officer having immediate jurisdiction over the property, upon bills rendered monthly.

18. That for such period as the lessee is in possession of the leased property pursuant to the provisions and conditions of this lease the lessee shall procure and maintain at its cost a standard fire and extended coverage insurance policy or policies on the leased property to the full insurable value thereof. 20. That, on or before the date of expiration of this lease or its termination by the lessee, the lessee shall at its cost vacate the leased property, remove the property of the lessee therefrom, and restore the leased property to as good order and condition as that existing upon the date of commencement of the term of this lease, less ordinary wear and tear and damage to the leased property covered by insurance and for which the Government shall receive or has received insurance funds in lieu of having the damaged property repaired, replaced, or restored. If, however, this lease is revoked, the lessee shall vacate the leased property, remove the property of the lessee therefrom, and restore the leased property to the condition aforesaid within such time as the Secretary of the Air Force may designate. In either event, if the lessee shall fail or neglect to remove the property of the lessee and so restore the leased property, then, at the option of the Secretary of the Air Force, the property of the lessee shall either become the property of the United States without compensation therefor, or the Secretary of the Air Force may cause it to be removed and the leased property to be so restored at the expense of the lessee, and no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work.

THIS CONDITION DELETED

20. (Alternate) That, on or before the date of expiration of this lease or its termination by the lessee, the lessee shall vacate the demised premises, remove the property of the lessee therefrom, and restore the premises to as good order and condition as that existing upon the date of commencement of the term of this lease, damages beyond the control of the lessee and due to fair wear and tear exoepted. If, however, this lease is revoked, the lessee shall vacate the premises, remove said property therefrom, and restore the premises to the condition aforesaid within such time as the Secretary of the Air Force may designate. In either event, if the lessee shall fail or neglect to remove said property and so restore the premises, then, at the option of the Secretary of the Air Force, said property shall either become the property of the United States without compensation therefor, or the Secretary of the Air Force may cause it to be removed and the premises to be restored at the expense of the lessee, and no claim for damages against the United States or its officers or agents shall be created by or made on account of such removal and restoration work.

21. That if more than one lessee is named in this lease the obligations of said lessees herein contained shall be joint and several obligations.

22. That, except as otherwise specifically provided, any reference herein to "~~Division Engineer~~" "District Engineer" or "said officer" shall include his duly appointed successors and his authorized representatives.

23. That all notices to be given pursuant to this lease shall be addressed, if to the lessee, to Department of Aviation, J. P. The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Aviation and the City Comptroller, subject to the approval of the Corporation Counsel as to form and legality, are authorized to execute the attached memorandum of agreement between the Department of Transportation, Federal Aviation Administration and the City of Chicago, for certain facilities at Chicago-O'Hare International Airport.

MEMORANDUM OF AGREEMENT
BETWEEN
DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION
AND
THE CITY OF CHICAGO

Title and Description of Project.

The City of Chicago (City) will connect a Runway Weather Surveillance System (RWSS) into electrical service and one pair of signal cables at each of the glide slope buildings south of Runway 9R/27L. Glide slopes involved are: 9R, 32L, and 27L and are Federal Aviation Administration (FAA) owned and maintained. Each RWSS will require approximately 125W, 115VAC electrical source. Signal cables will be used to forward data and will terminate into the old control tower.

FAA and the City mutually agree to the following:

1. Electrical Service and Connections.

   a. Electrical service to each RWSS will be tied into the existing power network through fuses and a quick disconnect switch. A free standing utility box containing above fuses and a quick disconnect switch will be physically located away from the building and preferably in the immediate vicinity of the RWSS electronic equipment enclosure. The free standing utility box will also serve as a junction box for the signal cable and will be installed and owned by the City.

   b. All installation is to be in accordance to current electrical code and engineering practices to ascertain that an electrical power malfunction in the RWSS will not adversely affect operation of the colocated glide slope.

   c. Electrical service cable between the free standing utility box and the glide slope building shall be identified using cable markers and buried underground.

2. Signal Cable.

   a. The signal cable for data forwarding between each glide slope building and the old control tower will be provided and maintained by the FAA and will consist of one pair solid copper conductors. The FAA-owned and maintained signal cable will start at a free standing utility box physically located outside of each glide slope building and will terminate in the FAA-owned demarc box in the tunnel at base of the old control tower.

   b. All signal cables will be clearly identified using cable markers.

   c. Data flow through the signal cables will be of positive pulse (reference ground) type and the level will not exceed Odbm or 1.0 Volt. peak. If at any time the data signal from an RWSS causes interference to any FAA-owned and operated electronic equipment at Chicago-O'Hare International Airport, FAA may request the City to demonstrate that the mutually agreed signal level has not been exceeded. FAA also reserves the right to interrupt data signal flow (data signal at any level) from the FAA-owned portion of the signal cable when same data signal results in interference to any FAA-owned and operated equipment. Interruption to said data signal flow will be accomplished by FAA technicians by disconnecting signal cable at the FAA-owned demarc box inside a glide slope building.

   d. The signal cable between each free standing utility box and associated glide slope building shall be identified using cable markers and buried underground.

   e. In the event the FAA-owned portion of the signal cable malfunctions, corrective action of the same cable will be accomplished by FAA personnel only. To initiate corrective action, the watch supervisor (telephone number 686-2110) at the O'Hare control tower shall be contacted. Corrective action will be initiated by the watch supervisor on priority basis. Entry, by City personnel, into the FAA-owned demarc box at base of the old control tower will also be arranged through the watch supervisor. Sole custodian to the said demarc box is FAA.

3. General Considerations.

   a. The RWSS equipment enclosure and the free standing utility box shall be located so as not to obstruct entry into the glide slope building to FAA personnel or restrict vehicular traffic through designated driveways. Appropriate caution and advisory signs shall be clearly displayed.

   b. General upkeep of all RWSS and associated components and accesses to all RWSS and associated components will be the responsibility of the City.

   This agreement is being entered into at no cost to either party because of the benefits derived by the parties from the RWSS. The City agrees to hold the FAA harmless against any claim by the City or third persons for personal injury, death, or property damage arising out of work under this agreement. The City further agrees to reimburse the FAA for damage to FAA's property arising out of work under this agreement. Any change to this agreement shall be formalized by an appropriate written amendment to the agreement which shall outline the nature of the change.

This agreement is effective upon acceptance by both parties. The FAA and the City agree to the provisions of this agreement as indicated by their duly authorized officers.

The undersigned hereby execute the foregoing Agreement as authorized by ordinance of the City Council of the City of Chicago passed on..... (C.J.P. pp. .....), which shall be the effective date hereof.

[Signature forms omitted for printing purposes]

SECTION 2. This ordinance shall be in force and effect from and after its passage.

Approval Given to Site Designations by Public Building Commission for Improvements at Morgan Park H.S.; Beverly and Legler Regional Branch Libraries.

The City Council's Special Committee on Taxicabs was created by a Resolution passed by the City Council of the City of Chicago on November 22, 1977 (C.J.P. pp. 6358-6359) (Appendix "A" for the full text of the Resolution).

The Special Committee on Taxicabs held its first meeting on December 8, 1977 and held numerous meetings, with the last meeting being held on March 22, 1978. All transcripts, correspondence, reports or other materials received by the Committee at these meetings are incorporated by reference and made a part of this report.

At a meeting of the Special Committee on Taxicabs held on December 8, 1977 it was determined that five (5) auditing firms would be invited to appear before the Special Committee for the purpose of submitting proposals pursuant to the terms of the Resolution of November 22, 1977, (verbatim transcript of December 8, 1977, page 22).[1] The Special Committee met on December 12, 1977 and heard proposals from the public accounting firms invited to appear before the Subcommittee pursuant to the November 22, 1977 Resolution. The five (5) firms made their presentations (verbatim transcript December 12, 1977, pages 1-108) pursuant to the requirements set forth in the November 22, 1977 Resolution, to-wit:

> "To conduct an audit of the Financial Records of Checker Taxi Company and Yellow Cab Company. Said audit shall be conducted for the purpose of determining whether the financial data submitted by Checker Taxi Company and Yellow Cab Company in connection with the July 13, 1977 Fare Adjustment was accurate and did justify, in accordance with the criteria set forth in Section 28-30(b) of the Municipal Code, the fare increase of July 13, 1977. Said audit shall include an examination of all relevant financial data."

In addition to the five (5) invited firms, the firm of Alexander Grant and Company made a presentation before the Committee.

The Special Committee next met on December 19, 1977 at which time the Chairman of the Committee detailed the results of the meeting of Subcommittee on Scope of the Audit concerning the initial Phases of audit plan. (See verbatim transcript December 19, 1977).

The Chairman of the Special Committee on Taxicabs then appointed a Subcommittee for the Selection of Special Counsel.[3]

Pursuant to the directions of the Chairman at a meeting held on December 21, 1977, (see verbatim transcript of December 21, 1977), letters were sent to the numerous Bar Associations and Lawyer's Groups inviting them to submit the names of qualified attorneys interested in serving as Special Counsel and to submit resumes to the Special Committee.[4] An Advertisement was placed in the *Daily Law Bulletin* inviting interested qualified attorneys to submit resumes to the Special Committee.[5] The members of the Special Committee were also requested to submit the names of persons interested in serving as Special Counsel to the Subcommittee.

The Subcommittee on Selection of Special Counsel met on December 27, 1977. Alderman Frost outlined the procedures to be used by the Subcommittee for interviewing and selecting Special Counsel. He appointed Alderman Stone to preside over these interviews. He also announced that the interviews of applicants for the Special Counsel would be held in Executive Sessions. (See Verbatim transcript of December 27, 1977).

Accordingly, the interview of applicants for the position of Special Counsel were held in Executive Session on January 4, 5 and 6, 1978. The staff of the Special Committee contacted numerous Bar Associations and Lawyer's Groups prior to the hearings, requesting that they forward names of prospective interviewees for the position of Special Counsel (for a full list see Appendix "F"). The Committee staff also invited numerous other lawyers to appear, whose names had been supplied by various Aldermen. Some interviewees responded as a result of an advertisement placed in the *Daily Law Bulletin*. A total of twenty-one (21) applicants appeared before the Subcommittee. In addition, a number of individuals indicated they would not be available for the position of Special Counsel. (for a list of attorneys interviewed see Appendix "G").

At the meeting of the Special Committee on Taxicabs, held on January 11, 1978, the Subcommittee submitted nine (9) persons for consideration as Special Counsel to the full Committee. The Committee then selected Jewel Lafontant as Special Counsel to the Committee, Mrs. Lafontant having received a majority of the votes cast (see Appendix "H" for the vote). (for the full text of the discussion see the verbatim transcript of January 11, 1978).

The Special Committee next met on January 18, 1978, at which time Arthur Young and Company presented an interim report concerning their investigation of the fare increase of July 13, 1977. (See Appendix "L").

The report of the auditors was adopted by the Committee, by a Viva Voce Vote. (For full transcript see verbatim transcript of January 18, 1978).

At the meeting of the Special Committee held on March 15, 1978, both the Auditor and Special Counsel reported on results of their investigations. (See verbatim transcript of March 15, 1978). (The full report of the Auditor together with the slide presentation is included as Appendix "I"). (Appendix "J" for report of Special Counsel).

[1] For text of telegrams sent see Appendix "B".

[2] The members of the Subcommittee on Scope of the Audit were Aldermen Frost (Chairman), Roti, Stewart, Gabinski, Oberman and Stone.

[3] The members of the Subcommittee on Selection of the Special Counsel were Aldermen Frost (Chairman), Kenner, Lathrop, Barden, Stemberk and Stone.

[4-5] See Appendix "D" and "E".

The Special Committee then met on March 22, 1978 with Arthur Young and Company and Mrs. Lafontant. The Auditor and Special Counsel responded to questions put by the members of the Committee concerning their reports. After much interrogation and debate by the Aldermen, Alderman Roti presented a Motion requesting the Corporation Counsel to draft appropriate Amendments to Chapter 28 of the Municipal Code of Chicago relating to the regulation of taxicabs; and since the Special Committee was satisfied that the fare increase of July 13, 1977 was justifiable that the Special Committee be discharged.

Alderman Roti's motion was *Concurred In* by ten (10) members of the Committee with three (3) dissenting votes. (See Verbatim Transcript of March 22, 1978).

On April 11, 1978, the Special Committee on Taxicabs received reports of the Auditor, Arthur Young and Company and Special Counsel, Mrs. Jewel Lafontant (See Appendix "J" and "K").

The Special Committee having received the reports begs leave to make the following findings and recommendations:

Finding and Recommendations

1. That the Corporation Counsel be instructed to review the reports of the Auditor and Special Counsel and propose for City Council consideration an Amendment or Amendments to Chapter 28 of the Municipal Code of Chicago concerning the regulation of Taxicabs.
2. That the Cab companies had incurred losses of in excess of $2.2 Million Dollars for the period under question; and, that the operating expenses exceeded the 86% Code limitation by $8.5 Million Dollars. Therefore, the Special Committee on Taxicabs finds that a rate increase on July 13, 1977 was justifiable.
3. On the acceptance of this final report the Special Committee on Taxicabs be discharged.

WHEREAS, This nation has consistently supported Israel as a nation of friendly people and democratic bastion; and

WHEREAS, The foreign policy of the United States of America is consistently pursued in support of world peace; and

WHEREAS, Beginning in 1974, conflict arose on Cyprus and continues until the present time over the independence of Cyprus; and

WHEREAS, Over half a million Greek Cypriots are being continually attacked and dispossessed by the Turks in this unceasing struggle; and

WHEREAS, A ban on the sale of arms by the United States to Turkey is in existence, having been made effective because of Turkey's use of American-made arms against the Greek Cypriots in violation of U.S. laws; and

WHEREAS, Lifting such a ban would raise serious doubts about the credibility of America's commitment to human rights and would make more difficult the achievement of a Cyprus settlement and a just resolution of the refugee problem; now, therefore,

Tribute to Late Lar "America First" Daly.

Honorable Michael A. Bilandic, Mayor, on behalf of himself and all the members of the City Council presented the following proposed resolution:

WHEREAS, Almighty God in His Infinite Mercy and Wisdom has called Lar "America First" Daly to his eternal reward on April 17, 1978; and

WHEREAS, Through four decades Lar Daly campaigned on his "American First" platform for just about every major elective office, including President of the United States. His first campaign was in 1938, when he sought the Democratic nomination for Cook County Superintendent of Schools; and

WHEREAS, Although Lar Daly never won an election, he won a victory of sorts in 1959, when the Federal Communications Commission ruled that as a candidate for Mayor, Lar Daly had a right to equal time on television news programs that ran stories featuring footage of Mayor Richard J. Daley. Congress later passed a law exempting news shows from equal time provisions; and

WHEREAS, Lar Daly was a colorful individualist who by sheer force of personality and character made himself someone who could not go unnoticed; and

WHEREAS, Lar Daly's views were summed up perfectly by the red, white and blue Uncle Sam suit that he used to wear in his innumerable campaigns for office. He stood for an extremely simple set of ideas. They were in primary colors, with no shadings and no doubts; now, therefore,

Be It Resolved, That the Mayor of the City of Chicago and the Members of the City Council in meeting assembled this 21st day of April, 1978, do hereby extend their condolences to the family of Lar Daly; and

For the City of Chicago to recover from the Bonding Company and grantee under this Section, it is not necessary that the City of Chicago first make said removal, relocation, alteration, repair, maintenance or restoration. The Commissioner of Streets and Sanitation is hereby authorized to determine what cost would be involved to perform said removal, relocation, alteration, repair, maintenance or restoration and his decision as to the amount shall be final and binding. The grantee and the Bonding Company, upon receiving written notification from the Commissioner of Streets and Sanitation of the cost of said removal and restoration shall pay immediately said amount upon demand.
